

ELL Network

The ELL Network is a forum for district personnel responsible for ELL programs and instruction to discuss pertinent issues, share and explore resources, and network with colleagues.

These sessions are the primary means of sharing information throughout the ESU 6 Title III Consortium; however, we welcome all districts and personnel! **We are especially glad to collaborate with the ESU 7 Title III Consortium at this session!**

Essential Questions

- How can teachers in mainstream classrooms differentiate for ELLs?
- What kind of support do we, as ELL specialists, need to provide in to help our mainstream teachers serve the ELLs in their classrooms?
- What is our district data telling us about the progress of our ELLs and thus, the success of our instructional programs?
